

PASTOR

Annette Vasquez

Annette Vasquez is a wife, mom, pastor, and breakthrough coach with a passion for helping others. She co-leads Church At The Bridge in Newburgh, NY, with her husband, Jose, and together they've built a life and ministry centered on the power of God's Word. They lead powerful marriage conferences, and Pastor Annette also spearheads the S.O.A.R. Women's Conferences that ignite identity, healing, and bold faith.

Pastor Annette is the founder of the S.O.A.R. Women's Network, where she rallies women of faith to rise above limiting beliefs and live boldly in their purpose. She doesn't just preach freedom; she lives it, and she's not afraid to shake the room with truth, humor, and Holy Spirit power.

She's also the creator of the "Created For More Experience", a six-week coaching journey that helps women get unstuck and step fully into their identity, purpose, and power. Whether she's preaching, coaching, writing, or cheering you on in prayer, Pastor Annette's mission is clear: to help you break free and rise like the woman of God you are.
